Maximizing Impact: Transforming Lives Through Action

Top Program Highlights: How We're Making an Impact in 2024

International Youth Day: Mon, 12 Aug 2024

Children from the E&H Foundation's learning centers spread across various blocks and clusters of Farrukhabad district in Uttar Pradesh celebrate International Youth Day: Let's praise their relentless efforts and innovative spirits that are shaping a better future for all. Together, let's empower and inspire every young mind to keep reaching for the stars!

Parent Awareness Session: Wed, 14 Aug 2024

Parents Awareness Sessions being conducted by the ground field team of E&H Foundation, in the communities in various blocks of Shamshabad and Farrukhabad in Uttar Pradesh where parents are being guided to send their children on a regular basis to the classes being conducted in the community learning centers!

Independence Day Celebration: Thu, 15 Aug 2024

E&H Foundation celebrates Independence Day with a blend of patriotism and community engagement. The event includes flag hoisting, cultural performances, and inspiring speeches on unity and nation-building. Activities like art competitions, tree planting, and distributing educational materials emphasize the foundation's commitment to empowerment. Honoring contributors and showcasing students' talents reflect the foundation's vision of fostering growth through education.

Together We Learn: Sat, 17 Aug 2024

At E&H Foundation, we believe the journey from enrollment to meaningful learning is achievable. Our commitment goes beyond just bringing children into classrooms; we create environments where education empowers children to break the cycle of poverty. Every day, as children discover the joy of learning, a brighter future unfolds. For us, quality education for every child isn't just a dream—it's a promise on the horizon in rural India.

Raksha bandhan: Mon, 19 Aug 2024

This Raksha bandhan, as we celebrate the bond of protection, let's extend that care to children in need. With your support, E&H Foundation has already impacted over 30,000 children, and together, we can do so much more. A simple act of kindness this Raksha bandhan can help secure a brighter future for thousands of underprivileged children.

Janmashtami:

Mon, 26 Aug 2024

E&H Foundation celebrates Janmashtami with enthusiasm, blending devotion and cultural learning. The event features storytelling about Lord Krishna's life, devotional songs, dance performances, and the exciting “Matki Phod” tradition. Children actively participate, learning about values like love, unity, and perseverance, while enjoying a festive atmosphere that strengthens community bonds and cultural understanding.

Teachers' Day: Thu, 5 Sept 2024

E&H Foundation celebrates Teachers' Day to honor educators' dedication and impact on shaping young minds. The event includes heartfelt speeches, student performances, and activities recognizing teachers' contributions. Students express gratitude through cards and messages, fostering respect for teachers while strengthening the bond between educators and learners in a joyful, celebratory environment.

Ganesh Chaturthi: Fri, 6 Sept 2024

E&H Foundation celebrates Ganesh Chaturthi with devotion and cultural enthusiasm. The event includes Ganesh idol installation, storytelling sessions about Lord Ganesha, eco-friendly craft activities, and devotional songs. Children actively participate, learning values like wisdom, humility, and unity. The celebration fosters cultural understanding and community bonding in a joyful and inclusive atmosphere.

International Literacy Day: Sun, 8 Sept 2024

At E&H Foundation, we believe the journey from enrollment to meaningful learning is achievable. Our commitment goes beyond just bringing children into classrooms; we create environments where education empowers children to break the cycle of poverty. Every day, as children discover the joy of learning, a brighter future unfolds. For us, quality education for every child isn't just a dream—it's a promise on the horizon in rural India.

Eid: Sun, 15 Sept 2024

E&H Foundation celebrates Eid with joy and inclusivity, emphasizing cultural harmony. The event features storytelling about Eid's significance, sharing festive treats, and organizing activities like card-making and cultural performances. Children learn about the values of gratitude, charity, and unity, fostering respect for diversity and strengthening community bonds in a warm, celebratory environment.

Fun Brain Activities:

Wed, 18 Sept 2024

Fun Brain test activities at E&H Foundation enhance children's cognitive skills, critical thinking, and problem-solving abilities. These activities build confidence, encourage creativity, and support academic performance, empowering children for future challenges. Fun Brain Activities play a crucial role in boosting creativity, problem-solving skills, and cognitive growth in kids! Let's come together to support their bright future.

Key Events Attended:

Strengthening Our Network & Advocacy

CMS: CATALYSING SOCIAL IMPACT: 1 – 2 AUGUST 2024

Team members from E&H Foundation, including Ms. Alokanda Chatterjee, CEO, and Mr. Raman Sharma, GM – Partnerships & Collaborations, recently participated in the Catalysing Social Impact (CSI) Conference 2024, organized by Team CMS at Dr. Ambedkar International Centre, New Delhi. This dynamic two-day event, held on 1-2 August 2024, brought together leading visionaries, implementers, and change agents from across the country.

CSI 2024 was more than just a conference, it was a vibrant confluence of minds dedicated to driving social impact. The event provided a platform where experts and dignitaries could openly discuss pressing issues and collaboratively find solutions. The aim was to create an environment where the exchange of ideas was not only welcomed but celebrated, fostering inclusive and sustainable development throughout India.

The conference featured diverse sessions curated around themes like Innovative Financing, Grounded Climate Response, and Implementation Fidelity & Quality. These sessions enabled E&H Foundation to contribute to the collective effort of crafting an inclusive and transformative path towards India@2047, the vision of making India a developed nation by our 100th year of independence.

Catalysing Social Impact (CSI) is a forum hosted by the Catalyst Group for thinkers, doers, and investors to convene and ignite positive changes in the field of social impact through discourse, demonstration, and collaboration. The 2024 edition of CSI aimed to drive meaningful change and inspire a shared commitment to a brighter future.

SICA: Social Impact Conference & Award: 12 September 2024

Social sector initiatives, especially those undertaken as Business Responsibility (BR) and Corporate Social Responsibility (CSR), have evolved beyond mere financial contributions and numerical metrics. While quantitative measurements are important for tracking progress and accountability, the qualitative impact of these initiatives often tells a richer story of transformation, empowerment, and social change.

E&H Foundation attended the 4th edition of SICA, themed 'Beyond Numbers – Impact at Centre Stage,' which was held at The Stein Auditorium, India Habitat Centre (IHC), New Delhi, on 12 September 2024. The event aimed to deepen understanding and appreciation for the qualitative impact of CSR initiatives. By showcasing real-life stories of empowerment, resilience, and community development, the conference sought to inspire stakeholders to prioritize qualitative measures of impact alongside quantitative metrics.

BOARD MEETING: 23 August 2024

The E&H Foundation recently convened its board meeting, led by CEO Alokanda Chatterjee with key strategic inputs from the Trustees and Advisory Board members. Key discussions with the eminent Trustees **Mr Syed Safawi, Mr Arvind Kumar, Mr Najmul Hasan Rizvi and Mr Ulhas Vairagkar**, as well as the esteemed **Advisory Board members**, focused on amplifying the Foundation's impact. Updates included innovative fundraising strategies, securing grants to enhance educational outreach, and leveraging social media for donor engagement and awareness campaigns. The meeting reaffirmed the Foundation's commitment to empowering underprivileged communities through education and sustainable growth, with actionable steps to strengthen partnerships, drive impactful initiatives, and ensure transparency in resource utilization. Stay tuned for exciting developments.

Introducing Our New Interns: Strengthening Our Team for Greater Impact

SHAKSHI SEHRAWAT

Shakshi has joined as a '**Management Intern – Data Management and Research**, Marketing, and Key Accounts Management.' She brings a strong academic foundation and a passion for social work. She is from Delhi and did her schooling from Holy Child Auxilium School, Delhi and her Class 12 from Ramjas International School, Delhi. Currently pursuing her BSc in Botany, Zoology, and Psychology from the University of Rajasthan, Shakshi's dedication and diverse interests make her a valuable addition to our team.

With a Certificate of Practitioner from HR'O' HOUR, Shakshi specializes in inner child healing, substance use treatment, hypnotherapy, sports and criminal psychology, and past life regression. She has interned at Manzil Mystics as a blogger and website content creator. Her hobbies include reading, writing, playing outdoor games, and learning new languages, currently focusing on German.

TANVI SIDHWANI

Tanvi has joined as a 'Management Intern – **Data Management and Research**, Marketing, and Key Accounts Management.' With a strong academic foundation and a keen interest in data analytics, she is committed to leveraging data-driven insights for informed decision-making. Skilled in data collection, analysis, and visualization, and proficient in Python and R, Tanvi is a valuable addition to our team.

Currently pursuing her Bachelor's in Biotechnology from Manav Rachna International Institute of Research and Studies, she has previously interned at Forest Lake Technologies and IGIB (CSIR). Tanvi has worked in an academic project on 'Aligntrack waste-conscious app connecting users with online orthodontists' and in January 2024, got an academic publication on 'Book Chapter: "Detection of Cardio Renal and Metabolic Diseases Using Machine Learning Algorithm'. She has also been an active participant in the Google Developer Students Club.

Impact That Matters: Stories of Change and Hope

Impact That Matters: Stories of Change and Hope highlights the transformative journeys of two children supported by E&H Foundation:

Ikra's Story: Ikra, once struggling with limited resources, thrived after joining the foundation's educational program. With access to quality teaching and consistent encouragement, she excelled academically and developed newfound confidence, aspiring to become a teacher herself to inspire others.

Nabila's Story: Nabila, a dropout due to financial hardships, returned to school through the E&H Foundation's intervention. Our support helped her rediscover her love for learning and dreams of becoming an engineer, showcasing how education transforms lives and fosters hope for a better future.

E&H Foundation transformed Ikra’s, a resource-limited student, into a confident aspiring teacher through quality education, mentorship, and skill-building activities. Similarly, Nabila, a school dropout, rejoined education with scholarships and focused tutoring, excelling academically. Their success inspires community change, showcasing how empowerment through education can break barriers and foster hope.

These stories underscore the foundation’s impactful mission of empowering underprivileged children through education and creating a ripple effect of positive change.
